Sponsorship Form

Rainbow Development in Africa is a grassroots charity working with farmers and farming communities in southern Mauritania and northern Senegal. An example of the work we do is helping the 325 members of the Sylla Women's Cooperative develop 9-hectares of market-garden organic vegetables. We also dig wells, assist shools and run a micro-credit program. For more information on us and the work we do, please see: www.rainbowdevelopmentin africa.org

The Big Walk is taking place over three years, divided into a number of separate sections. Walkers will be doing whole sections or parts of sections, as detailed below.
